STAFF EDUCATION ? Q1 2026 TRAINING COMPLIANCE REPORT

Date: 2026-03-28 | Author: Linda Torres, Director of Staff Education

MANDATORY TRAINING COMPLIANCE:

Overall compliance rate for Q1 mandatory training: 97.2% (target: 95%)

TRAINING MODULE COMPLETION RATES:

1. HIPAA Privacy & Security: 99.1%
2. Fire Safety & Emergency Codes: 98.4%
3. Infection Prevention (Annual): 96.8%
4. Workplace Violence Prevention: 95.3%
5. Cultural Competency: 94.7%
6. Fall Prevention Protocol: 97.9%
7. Blood-borne Pathogen Exposure: 98.2%
8. Restraint & Seclusion Policy: 96.1%

SPECIALTY TRAINING HIGHLIGHTS:

- 95% of patient-facing staff completed the new Hospitality Excellence training program (this program is credited with the hospital-wide improvement in patient satisfaction scores)
- 23 nurses completed Advanced Cardiac Life Support (ACLS) recertification
- 8 MRI technologists completed Siemens MAGNETOM certification
- 15 ED nurses completed Trauma Nursing Core Course (TNCC)
- 12 pharmacists completed sterile compounding recertification

SIMULATION CENTER:

The new simulation center conducted 34 team-based simulation exercises, training 412 staff members in high-risk scenarios including cardiac arrest, obstetric emergency, and mass casualty triage. Post-simulation confidence scores improved by an average of 28%.
